Research Overview

The Euna Grants *Research* module provides ways to seek out funding opportunities from Grants.gov, ancillary Federal Agencies, all State Agencies, large cities and counties, and foundations. From the *Research* module, users can save search criteria, set up alerts, and save and import grants directly from search results.

Search

The *Grant Research* module allows you to filter search results for grants by deadline, category, state, eligibility, and funder types, as well as by search terms, partial words, and phrases. The full-text index search supports search terms; partial words (i.e. "Edu"); phrases; as well as "and", "or", and "not" logic (i.e. "Northwest NOT Oregon"). Words separated by a space will return results matching with any of those words. Quotes around search terms will return exact matches.

How To Search for Grants

1. Open **Research>New Search**.
2. In the search field, add **Search** terms (optional). These terms will be searched against opportunity Keywords, Assistance Listings Number (formerly CFDA), Agency, and Description fields.

Health

3. Check the **Show archived records checkbox** as desired. This will include any closed or archived opportunities in your search results.

Show archived records

4. By default, your search will include opportunities available to All Organization Types in All Locations. To filter, click **Change**.

How To Send an Opportunity for Review

Instead of importing opportunities directly, users can send grant opportunities to other staff members with access to the *Research* module in their Euna Grants account. These other staff members can view the grant opportunity, any comments, and then import the opportunity as a pre-award grant into Euna Grants.

1. Open **Research>My Saved Opportunities** or **>All Saved Opportunities**.
2. Click an **opportunity name**.
3. Click **Send to Opportunity Review**.

- In the pop-up window, select **user(s) to notify and review this opportunity**. This list pulls from any users with access to the *Research* module.

The image shows a rectangular pop-up window with a thin black border. At the top, it contains the text "Select user(s) to notify and review this grant" in a bold, sans-serif font. Below this text is a single, rounded rectangular button with a light gray background and a thin border, containing the text "Select User(s)..." in a standard sans-serif font.

- Add your **Comments** (optional). These will be visible to the user(s) you've selected.
- Click **Send**. This will send a notification email to the user(s) you've selected.
